

GAME OF THE 4 SEASONS

Ages 4-8

Preparation: Cut out the 4 images below, following the dotted lines.

Mission: Identify the 4 seasons by choosing the correct image based on the descriptions:

Spring: The trees gradually become covered with leaves. A soft landscape appears with the rhythm of birdsong.

Summer: The sun shines, and the temperature is warm. Sunflowers begin to appear.

Autumn: The leaves turn orange before falling. A beautiful yellow and orange landscape emerges.

Winter: Sometimes snow falls, covering the countryside with a lovely white coat.
